The King is here, riding on the clouds  
With justice for the nations  
Every knee will bow  
Every tongue will praise

## **PRE-CHORUS**

His eyes are blazing fire  
On His head are many crowns  
With the voice of rushing waters  
His name be known

King of Kings, Lord of Lords  
Lord of Lords

The heavens are open  
Your glory overwhelms  
In Your glory  
In Your glory
