

Will Be Done

C3 Church Victory

VERSE ONE

Focus my eyes off myself
Towards the Holy One
I will not compromise for this world

VERSE TWO

Your presence is all we need
Your face we need to see
I will not compromise for this world

PRE-CHORUS

This generation needs Your love
To fill their senses
This generation needs Your light
To show them the way

CHORUS

You're closer than the air I breathe
You'll never let go of me
I live to see Your will be done
Let Your will be done

BRIDGE

Let Your will be done
Let Your will be done Lord
